There are 2 types of roles in this show: **ACTING ROLES** and **SOUND EFFECTS**. You may audition for **BOTH** or **just ONE**, but you can only be cast in one.

ACTING ROLES – During the performances, the Actors will read scripts in front of microphones, like on a radio show. Some actors play one role, some play multiple roles.

USEFUL SKILLS:

- *Speak loudly and clearly*
- *Able to do simulated action scenes*
- *Skill with different voices or accents*
- *Good teamwork*

SOUND EFFECTS – During the performances, sound effects will be created live on stage by a Sound Effects Team, at a table full of ordinary objects for creating sounds. They also have funny interaction with the Acting Roles.

USEFUL SKILLS:

- *Good facial expressions and mime*
- *Comedic timing*
- *Creating some sounds with your voice*
- *Good teamwork*

Which do you want to audition for? (Circle ONE or BOTH.)
